# THE HISTORY OF **OUR HOME**

St. James' Park has always been our home.

In fact, the first football match on the site took place in 1880 – a full 12 years before the official formation of Newcastle United in 1892.

Located in the heart of Newcastle's bustling city centre and ideally situated for fans travelling from near or far, it is clear to see why it became such a popular location for Tyneside's footballing pioneers.

While the pitch has remained in the same spot ever since, the stadium around it has changed beyond recognition.

Modern stands of steel, concrete and glass have continued to rise on the city's skyline, huge banks of seats have replaced concrete terraces and our facilities have been upgraded to match the finest arenas in world football.

We hope you'll enjoy everything we have to offer.

# TRAVELLING TO ST. JAMES' PARK

**Strawberry Place, Newcastle upon Tyne, NE1 4ST**

With a city centre location, St. James' Park is one of the most accessible and well-connected football grounds in the UK.

The stadium is located close to the junction of Gallowgate, St. James' Boulevard and Barrack Road, just a ten-minute walk from Newcastle Central Station and around five minutes from Monument Metro Station and the city's major bus stations. Simply follow the pedestrian signs located throughout the city centre.

## PARK AND RIDE

There are no unreserved public car parks on event days at St. James' Park and traffic restrictions may be in place.

Instead, we strongly recommend using public transport to reach the stadium.

We operate a park and ride system from two sites close to the A1 motorway – from Newcastle Great Park (close to the Newcastle Racecourse) and the MetroCentre; one of Europe's biggest shopping centres.

For directions, timetables and additional information, please visit [www.gonortheast.co.uk/nufcbuses](http://www.gonortheast.co.uk/nufcbuses).

## BY METRO

Newcastle upon Tyne is served by the Tyne & Wear Metro system; a light rail network with frequent services between Newcastle Airport, Newcastle city centre, the coast, and major transport interchanges and destinations south to Wearside.

We recommend St. James' Metro station for local coastal destinations, while Monument station – a five-minute walk away – is served by both yellow and green line routes towards Newcastle International Airport, South Shields and the coast.

For more information, visit [www.nexus.org.uk/metro](http://www.nexus.org.uk/metro).

## BY TRAIN

Situated on the East Coast Mainline, Newcastle Central Station is a principle stop for services between London and Edinburgh/Glasgow. In addition to regional services, it also offers direct cross-country routes to and from Leeds, Manchester, Liverpool Birmingham and Bristol.

The station is a ten-minute walk from St. James' Park, walk west along Neville Street (A186) and turn right onto St. James' Boulevard. The stadium is located at the top of the road and will become visible as you reach the junction with Bath Lane/Wellington Street.

To plan your train journey, visit [www.nationalrail.co.uk](http://www.nationalrail.co.uk).

## BY PUBLIC BUS

Newcastle upon Tyne has two major bus stations for local and regional services – Haymarket, for services to and from Northumberland and the North, and Eldon Square, for services to and from County Durham and the South. Both are located on Percy Street, a five-minute walk from St. James' Park.

To reach the stadium, walk south west on Percy Street and turn right onto Gallowgate. St. James' Park will become visible on your right. For more information on local bus services, please visit [www.nexus.org.uk/bus](http://www.nexus.org.uk/bus).

## BY COACH

Newcastle Coach Station is on St. James' Boulevard and receives National Express coach services, while Megabus operates services from outside Newcastle Central Station. Both offer frequent services from across the UK with links to Europe.

If you plan to travel via a private fan coach, please contact the club's safety and security office on **0191 201 8469**. We will be happy to advise you on suitable drop-off points.

## BY TAXI

There are taxi services available throughout the city, with major taxi ranks located at Newcastle Central Station and transport interchanges.

The nearest taxi rank to St. James' Park is situated two-minutes away on foot, opposite the entrance to Chinatown.

**FEELING FIT?** Cycling is one of the healthiest ways of getting to the match. There are 35 'Sheffield stands' located around the stadium for you to lock your bicycle at. To plan your route, visit [www.gosmarter.co.uk/journeyplanner](http://www.gosmarter.co.uk/journeyplanner).

# AROUND THE GROUND

Newcastle upon Tyne is widely regarded as the region's capital and accordingly, you'll find all the amenities you'd expect from a major British city centre right on our doorstep.

While the Leazes Stand is bordered by the tranquillity of the historic Leazes Park, the rest is surrounded by the city's world-class shopping centres, leisure facilities, museums, monuments, bars and restaurants.

## BARS AND RESTAURANTS

The stadium has two of its own external bars - NINE Bar and The Terrace Bar - which are open to all supporters and members of the public. The bars are located next to the club retail store beneath the Gallowgate Stand.

While there are other pubs and bars close by, please note that some may restrict entry for visiting supporters - particularly those wearing club colours.

If you decide to dine elsewhere, you'll be spoilt for choice in the City Centre. Intu Eldon Square is just a five-minute walk away, while the Gate and Chinatown offer a variety of options to tempt your tastebuds.
