A GUIDE TO RENEWING YOUR 2019/20 SEASON TICKET

Thank you for your support!
You will need to log onto our ticket website, book.nufc.co.uk. Log in, and under your account click the button ‘reservations’.

Once you have agreed to the terms and conditions, you will be able to select one of three payment options – Direct Debit on 1st of the month, Direct Debit on the 15th of each month or a one-off credit or debit card payment.

Select your chosen option and enter your details accordingly.

You're all done! You will see an on-screen confirmation and receive a confirmation email. You can login to your account at any time to view your account details. See you next season!
CREATING RELATIONSHIPS - Linking with other existing supporters’ accounts enables you to renew season tickets together. You will need their supporter number and either the person’s postcode or surname to hand.

NOTE - that this will not change travel groups, which can only be changed by the Box Office directly. For any questions at all, you can reach the box office at boxoffice@nufc.co.uk.

1. You can add relationships during your renewal process (see step 2), or at any time by selecting the person icon on the top right of the screen and choosing the person icon on the top right of the screen and choosing ‘personal details’ from the menu.

Under the ‘my friends and family’ section, select ‘manage my relationships’.

2. Choose the ‘create a relationship’ option. Select this and enter the information as requested.

3. You will be asked to input your friend or family member’s supporter number and postcode or surname to identify them.

4. Next, you can provide details of your relationship to that person. You must select the check box at this stage in order to link your accounts.

5. Congratulations, you’re now linked and the person will appear in your friends and family list.

You can close the box and renew your season tickets together.

If you wish to add additional supporters, please repeat this short process.
