

Supporter Code of Conduct Licensed Standing Areas

March 2023

Supporter Services v1.1

Newcastle United Football Club (the “Club”) will introduce licensed standing areas for domestic fixtures on an initial trial basis.

All supporters wishing to attend domestic fixtures in licensed standing areas are required to comply with this Code of Conduct at all times, and we ask that you read all of the information below.

The Code of Conduct does not replace any other ground rules, but shall include (but not be limited to) the Club’s Season Ticket Policy, Membership and Match Ticket Conditions of Issue, which can be found [here](#).

Any non-compliance with this Code may result in sanctions being applied, including but not limited to non-admittance or ejection from the stadium and/or the Club losing the right to maintain licensed standing areas.

When attending the match in licensed standing areas, please:

- Have your ticket available at all times for any necessary secondary ticket checks.
- Continue to follow the instructions of stewards and other staff, who are there to ensure your safety and an enjoyable experience for everyone.
- Behave appropriately in the stand and please be respectful to others. Anti-social behaviour or any form of direct or indirect discrimination, victimisation or harassment will not be tolerated.
- Do not stand or climb on the rails or seat. The licensed standing infrastructure is there to keep you and other fans safe.
- Unless needing to use facilities, do not move around in the safe standing area – your ticket is for your allocated space only.
- Do not stand in the gangways or on the steps to watch the match – these are for accessing and leaving your seat only.

Thank you for your support and co-operation.
